Regulation Football Goals 6x2m

Freestanding Football Goals, 6x2, pair, in oval section aluminium profile 100x120mm (also rear bottom elements).

Art. 5912

Pair of freestanding regulation football goals, dimensions 6x2m.

Freestanding goal made with oval section aluminium profile 100x120mm with internal ribs,also the rear ground elements.

The corners are welded and the internal junctions are made of thick-walled special 6005 aluminium alloy, making the goal even more stable and sturdy. The crossbar is made of two pieces.

Upper net supports (elbow shape) are made in hot galvanized steel, fastens for net fixing are made in plastic material.

Similar to the requirements of UNI EN 748 standard, the back side leaning to the ground is made of the same material and has the same cross-section as the posts and crossbar.

Goals suitable for 7-a-side and 8-a-side football.
