Training Equipments | Running Equipment - Relay Batons, Hurdles, Cones, and Starting Blocks

Cone with base, 50cm high, with 16 holes and a recess

Cone with base to make it more stable in case of impact or wind, 50cm high.

Made of safety material with excellent flexibility, softness and elasticity: in case of a fall on the cone, the chances of injury and/or breakage are therefore reduced.

With 16 holes for inserting a Ø25mm diameter pole (item 1069) and a recess suitable for holding other objects to create obstacles, workouts and circuit training.

Ideal for training, athletic preparation and psychomotor skills.

Available in orange, yellow, blue and green.

Visit our "Athletics - Track and Field, Run, Throws and Jumps" section for more information.

Visit our 'Balls, Training Equipments and Other Accesories for Football and Futsal' section for more information.
