Accessories for Beach Volley and Beach Tennis

Foldable beach volleyball referee platform, made of painted steel.

Art. 5543

Foldable beach volleyball referee platform, made of painted steel.

Structure in oval tubing with a cross-section of 60x30mm and rungs in round tubing with a diameter of Ø30mm, equipped with a non-slip chequered sheet metal floor plan measuring 75x55cm at a height of approximately 130cm from the ground.

The support feet are articulated and feature a wide contact surface and 'claws' (see photo) to improve stability on sand.

Stable and safe, easy to move.

Floor space: 140x85cm

Anthracite colour.

Available: version with rear articulated feet (item 5407).

Visit our 'Beach Volley - Beach Tennis' section for more information.
