Other Accessories for Basketball and Mini-basketball Systems | Equipment for Training and Playing Volleyball and Minivolleyball

Multi-purpose ballasted base for tool support, detachable, for Ø50mm diameter poles, with double ballast.

Art. 4385

Multi-purpose ballasted base for tool support, detachable, suitable for poles with a diameter of Ø50mm.

Made of painted tubular steel, base dimensions 900x700mm.

Complete with Ø100mm wheels and handwheels for tightening the tool to be inserted.

Predisposed for fixing to the ground with anchors specific to the type of flooring (not included).

This tool is supplied partially disassembled complete with screws.

There is a second ballast on the front to provide greater stability, while the standard base (item 5050) has one only.

Suitable for our basketball and baskin items 4002-4002B, volleyball items 4091-5070-5072-5300 or tennis items 7509.
