Football And Futsal Goal Nets

Regulation football and futsal goal nets, made of nylon, polyethylene or polypropylene, for all sizes, wide variety of wire diameters and mesh types.

All nets are treated to provide the best resistance to atmospheric agents and UV rays, guaranteeing elasticity, impact and abrasion resistance to ensure durability and long life.

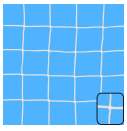

For the correct choice, consider the upper and lower dimensions of the net on the back of the goal.

6104

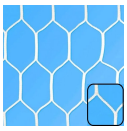

Pair of nets for 7,32x2,44m football goals in Nylon braid diameter Ø5mm, square mesh 10x10cm, knotless netting.
