Other Basketball or Mini-basketball Systems

Basketball rings on column for baskin, polypropylene oval backboard measuring 112x73cm, extension 30cm.

Art. 4002B

Half baskin system on a base with wheels.

Double aligned basket ring, mounted on single column with polypropylene backboard measuring 112x73cm.

Item consisting of weighted base, telescopic tube, two basket rings and upper backboard.

The base (item 5050) is made of painted steel in a round safety tube, already weighted, equipped with provisions for secure ground fixing and Ø100mm wheels to facilitate transport; measures 70x80cm.

Telescopic tube in galvanised steel with a round section measuring Ø50x1,5mm in diameter to be tightened using handwheels, with plates for attaching two heavy regulation rings (supplied with net) and American-style (oval) 112x73cm thermoset plastic backboard (item 4056), fully ribbed on the back to reinforce its solidity, with safety tie-rod fastening for upper ring.

Height rings: 110cm and 220cm.

All components are supplied disassembled to facilitate transport.

Visit our "Basketball and Mini-basketball Systems" section for more information.

Visit our "Accessories for Basketball and Mini-basketball Systems " section for more information about backboards, basket rings, nets, protections and more.
