Indoor and Outdoor Table Football

F-200 model indoor table football table without a coin mechanism, made of maple.

A simple yet fully-featured table football table, offering professional-grade gameplay, crafted from maple.

The high-quality construction ensures the necessary sturdiness for even frequent use: ideal for providing maximum enjoyment for the whole family.

The version available on request with telescopic safety rods (which do not protrude from the unit) offers excellent protection for children's faces and eyes.

Complies with the harmonised European standards EN 71-1, 2, 3 and 9 on toy safety.
