Indoor and Outdoor Table Football

G-2000 model indoor table football table without a coin mechanism, made of grey oak.

An indoor table football table that blends into any setting thanks to its lively design.

Stable and sturdy, the G-2000 is suitable for both family use and community settings (clubs, schools).

The grey oak finish lends further elegance to the G-2000's sleek design.

The version with optional telescopic safety rods (which do not protrude from the unit), available on request, offers a high level of protection for children's faces and eyes.

This model complies with the harmonised European safety standards EN 71-1, 2, 3 and 9.
