Running Equipment - Relay Batons, Hurdles, Cones, and Starting Blocks

Set of mobile steeplechase hurdles, World Athletics approved for competition.

Art. 3040

Hurdle for steeplechase.

Made with a hot-dip galvanised steel structure (telescopic stands) and wooden top bar.

Adjustable to 3 different heights (76,2cm - 84cm - 91,4cm) in accordance with the new 2020 international regulations, using removable spring-loaded stainless steel ratchets, complete with locking wheel.

The upper bbar is made of a 12,7x12,7cm square section, 366cm long, treated with outdoor paint, white with black stripes.

A complete set consists of 5 hurdles.

Approved and compliant with WORLD ATHLETICS regulations.
