

Wall-mounted Basket and Minibasket System

Wall-mounted basketball system, fixed, wooden backboard, freespace 168cm, with backboard reinforcement frame.

Art. 4243

Wall-mounted basketball/mini-basketball system, fixed.
One system consists of two complete structures.

Painted tubular steel structure to be fixed with plugs, consisting of 4 braced trusses made of Ø50mm diameter tubing, with a backboard reinforcement frame for greater strength.

Standard 168cm extension system, complete with 180x105cm wooden backboards, basket rings and nets.

On request, it is possible to create structures with different extensions and to add accessories of your choice, including height adjustment devices, backboards and basket rings.

Visit our "[Basketball and Mini-basketball Systems](#)" section for more information.

Visit our "[Accessories for Basketball and Mini-basketball Systems](#)" section for more information about backboards, basket rings, nets, protections and more.
