

Nets and Accessories for Volleyball and Minivolleyball Systems

Volleyball net antennas, pair of fibreglass rods made in a single piece, two-tone white and red, length 1,8m.

Art. 5210

Pair of removable fibreglass rods in single-piece, alternating white and red colours, with a diameter of Ø10mm and a length of 0,8m/each.

Volleyball antennas to be inserted into the vertical bands on the outer edges of the net, positioned vertically above the side lines in order to delimit the space through which the ball may pass and to act as an ideal extension of the lines themselves.

Available: pair of antennas in double piece (item [5211](#)).

Available: pair of nylon antenna holders (item [5212](#)).
