Nets and Accessories for Volleyball and Minivolleyball Systems

Volleyball net antennas, pair of fibreglass rods that can be dismantled into two pieces, two-tone white and red, length 1,8m.

Art. 5211

Pair of removable fibreglass rods in two pieces, alternating white and red colours, with a diameter of Ø10mm and a length of 0,m/each.

Volleyball antennas to be inserted into the vertical bands on the outer edges of the net, positioned vertically above the side lines in order to delimit the space through which the ball may pass and to act as an ideal extension of the lines themselves.

Available: pair of antennas in single-piece (item 5210).
Available: pair of nylon antenna holders (item 5212).

Visit our 'Volleyball and Minivolleyball Systems' section for more information.
Visit our 'Accessories for Volleyball and Minivolleyball Systems' section for more information about nets, protective covers and more.
