Team Shelter in a Hole or Pit

Art. 6209

TEAM SHELTER IN A HOLE OR PIT

Design on request.

Custom-made team shelter, with dedicated design, in modules of variable length.

Clear solid or multiwall polycarbonate cover.

Customizable in the following details:

- total length of team shelter
- number of seats arranged in single or double row
- type of "VIP" seats to be installed
- type of covering material and painting of the shelter structure

Visit our "[Team Shelters](#)" section for more information.
