

Statistics Panels for 12/14 Players

Pair of side statistics panels (side displays) for 12 players per team, displaying shirt numbers, fouls/penalties and players' personal score, dimensions 120x260x11.5cm, visibility at 70m, for professional scoreboards.

Art. 8492

Pair of side statistics panels (side displays) for 12 players per team, displaying shirt numbers, fouls/penalties and players' personal score, dimensions 120x260x11.5cm, visibility at 70m, for professional scoreboards.

Recommended sports: Basketball, Volleyball, Futsal, Handball, Hockey, Tennis, etc.

Displayed functions for each of the 12 players per team:

1. **Player number:** [0-99], digits 15cm high.
2. **Fouls/Penalties:** [4 indicator lights + 1 red], diameter 3.2cm.
3. **Points:** [0-99], digits 15cm high.

Dimensions: 120x260x11.5cm.

Weight: 69,5kg

Distance and readability angle: 70m, 150 degrees

It complies with **FIBA Level 2** when used with backboards art. [7473](#) or art. [7475](#).

It can be used together with other models to create large display boards that show multiple pieces of information.

Easy to install. Technical instructions in 5 languages. Provided with bolts and brackets for wall mounting.

No front protection cover required. Complies with DIN 18032-3 and UNI 9554 standards on "Testing of safety against ball throwing". In addition to saving on the cost of additional protection, full visibility is completely preserved and access to the scoreboard is easy.

Controlled via the control console (item [8485](#), not included) and equipped with a 4m serial cable for connection to the main electronic scoreboard (see the '[Professional Scoreboards](#)' section) or to a radio receiver (item [8489](#), not included).

Power supply: 100-240Vac, 50-60Hz, 250VA. Select the type of plug for the power supply cord when ordering.

Views are easily accessible from the front, built with high-quality, wide-angle SMD LED technology, with an average lifespan of 100,000 hours.

Cheap and fast shipping. The scoreboard is especially designed to be taken apart into smaller modules that are easy to assemble. So that it can be shipped via all major couriers at a low cost and with faster delivery times to any countries.

Robust container made from powder-coated aluminum. Front panel made from anti-glare polycarbonate.

Guarantee: 2 years.

Visit our "[Scoreboards](#)" section for more information on other available models.
